Pribilofs to Yield 60,000 Seal Skins

750,000 animals.

By the Associated Press. Between 60,000 and 70,000 Alaska seal skins will be taken this summer from the Pribilof Islands where the United States Government owns the largest seal herd in the world. Secretary of the Interior Ickes said today that last year the record number of 117,000 skins were taken to make up for 1942, wheh on skins were obtained because of military operations near the islands in the Bering Sea off Alaska. The herd now numbers about 2,-

Ohio MacArthur Club Splits on Dewey, Bricker

COLUMBUS, Ohio, June 22.-W. Hobart Morgan, secretary of the Ohio MacArthur-for-President Club, took issue yesterday with published reports that the organization had swung its support to Gov. John W. Bricker's candidacy, and asserted in a formal statement that a majority of the members backed Gov. Thomas

E. Dewey of New York. Recently Robert A. Wilkinson, president of the State MacArthurfor-President Club, announced the organization had thrown its support to Gov. Bricker. Guy Hawley and Dr. B. A. Mayer, club vice president and treasurer, respectively concurred with Mr. Wilkinson. Mr Morgan declared in his statement, however, that "the MacArthur State organization has never held any formal meeting to discuss the indorsement of any candidate for President since Gen. MacArthur announced his unwillingness to permit his name to be used.'

regrets that it has no more space in the mothproof department for rugs or curtains, nor any space for motor cars.

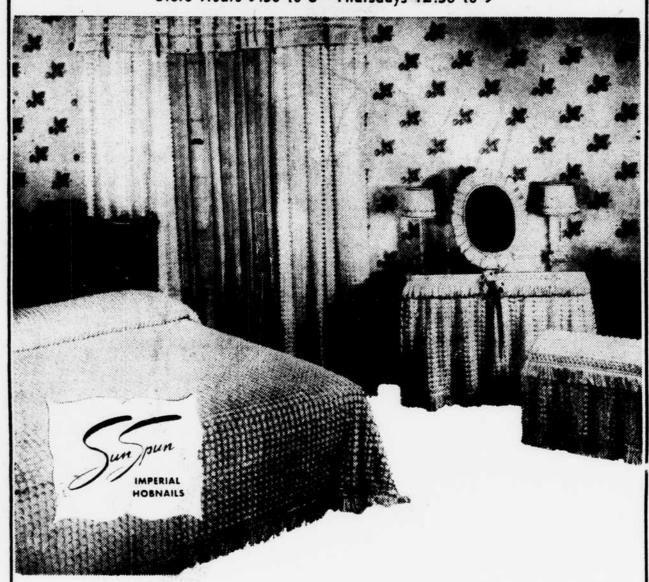

THERE IS STILL SPACE in the safe deposit vaults for silverware and other valuables, and in the cold storage vaults for furs and garments as well as for a few trunks and lockers.

Storage space for furniture should be engaged in advance. We have space only as goods go out.

Ample notice should be given for long-disfance moving through the Allied Van Lines.
